

Atria have partnered with Coravin to give guests a rare chance to try some exceptional wines by-the-glass during the month of May.

Trusted by professionals across the globe, Coravin preserves wines for weeks, months or even years. At Atria, we are immensely proud of our wine list, featuring exceptional wines shaped by passion, history and region from all over the world. Our collaboration with Coravin allows us to offer an even greater selection of rare and exceptional wines by the glass; we currently have over 45 wines by the glass on the menu. During the month of May, we are excited to invite guests to discover truly extraordinary wines that may not otherwise have had the chance to taste, from exceptionally rare Champagnes to the most sought-after reds
